

Tank Vivek

Student

PROFILE

I'm a web developer skilled in React.js, JavaScript, HTML, CSS, Tailwind, Bootstrap, and PHP. I build responsive, real-world applications and deploy them using GitHub, and Vercel. Currently pursuing BCA at Atmiya University and upgrading my skills through a Full Stack Development course at Creative Insight IT Academy.

EDUCATION

ATMIYA UNIVERSITY

*B.C.A (2023 to 2026)
Present (sem 5)*

CREATIVE INSIGHT IT ACADEMY

2025 / fullstack development

LANGUAGE

English.

Hindi

Gujrati

LANGUAGES

Html , css (bootstrap , tailwind)

Javascript

React js

WORK EXPERIENCE

CREATIVE INSIGHT IT ACADEMY

Currently, I have been learning Full Stack Development for the past 6-7 months. I've completed the frontend part, focusing on React.js, Tailwind CSS, and responsive UI design, and I'm now actively learning backend technologies like Node.js, Express.js, and databases through hands-on practice.
